AUTHORIZATION  
FOR  
TREATMENT, ASSIGNMENT OF BENEFITS, PAYMENT RESPONSIBILITY  
AND DISCLOSURE OF ALF RESIDENT INFORMATION

1. I hereby consent to treatment by Lake Centre for Rehabilitation (“LCR”) as outlined in the treatment Plan of Care developed in collaboration with my attending physician.
2. **MEDICARE:** Patients who are covered by Medicare are responsible for their annual deductible and the 20% portion of the Medicare allowed benefit amount for covered services. I understand Medicare does not pay for all of my therapy costs. Medicare only pays for 80% of the covered benefit. My covered outpatient therapy benefit is as stated in the federal guidelines, unless I qualify for an exception to the benefit limit. If I receive therapy service that is not a Medicare covered benefit, I am responsible for payment, personally or through any other insurance I may have. The purpose of this notification is to help me make an informed choice about whether or not I want to receive therapy services, knowing I may have to pay for the services myself. I understand that LCR will bill my secondary insurance carrier. I authorize LCR to furnish my insurance company any information needed to process the claim. I assign to LCR all money paid for the rehabilitation services furnished. I agree to pay all deductibles, co-insurance and non-covered items not paid for by my secondary insurance carrier. I will notify LCR if I am eligible for coverage with Tricare for Life Health Care System. I certify that the information given me in applying for payment under Title XVIII of the Social Security Act is correct. I authorize the holder of any medical or other information about me to release to the Social Security Administration or its intermediaries or carriers any information for this or a related Medicare claim. I request that payment of authorized benefits be made on my behalf to LCR.
3. **PRIVATE:** I understand that every effort will be made by LCR to bill my insurance carrier for services rendered. I authorize LCR to furnish my insurance company any information needed to process the claim. I assign to LCR all money paid for the rehabilitation services furnished. LCR DOES NOT accept assignment on non-contracted claims. Any amount not paid by my insurance company is my direct responsibility. I also understand that it is my responsibility to see that all claims are paid within 30 days of receipt. If claims are not paid by 60 days, I will be responsible for payment of the claim (IN FULL) at that time. Any balance due after 60 days may be subject to a delinquency fee of 1% per month. I understand that health and accident insurance policies are an arrangement between my insurance company and myself, that all services rendered me are charged directly to me, and that I am personally responsible for payment.
4. **WORKERS’ COMPENSATION:** Patients who are covered under Workers’ Compensation are not financially responsible for services rendered unless their claim is controverted/denied. If this occurs, I understand that I am immediately responsible for all controverted/denied charges regardless of pending litigation.
5. **MANAGED CARE PLANS:** Patients who are covered under a participating Managed Care Plan are responsible for any applicable deductibles and/or co-payments required under their plan. I understand that I am responsible for payment of any applicable deductibles and/or co-payments under my plan at the time services are rendered.
6. I, and Patient if applicable, agree to execute any documents and perform any acts that Provider may reasonably request. The undersigned warrants and represents that attached hereto are originals or certified copies of any applicable Powers of Attorney, Health Care Surrogate forms or Court Orders appointing the undersigned as the legal guardian of the Patient.
7. I UNDERSTAND THAT IF I FAIL TO MAKE MY APPOINTMENT AT THE TIME RESERVED FOR ME, WITHOUT A 24-HOUR PRIOR NOTICE, I WILL BE SUBJECT TO A \$25.00 FEE. If I do not show up for three (3) appointments, I may forfeit all subsequent appointments and be discharged or placed on a call list for open appointment times if available.
8. I agree that the provisions hereof shall continue in full force and effect until Provider has received written notice of termination signed by the undersigned; provided, however, that the provisions of Paragraphs 2, 3, 4, 5, 6, 7 and 8 shall survive any such termination.
9. **Your signature at the bottom of the New Patient Information Sheet indicates your agreement with the above terms.**

**Effective January 1, 2020, the Medicare “Cap” starts at \$2,080 for physical and speech therapy services combined, and \$2,080 for occupational therapy services, billed by an outpatient provider for the purpose of applying the KX modifier. Each provider is required to track the entire therapy episode, regardless of setting. When the Cap exceeds \$3,000, there may be additional scrutiny of the claim by Medicare for medical necessity. Services can only be denied for medical necessity reasons.**
